

2018 REENTRY Week

Not just returning but Advancing!

Cuyahoga County Reentry Awareness Week highlights ways that the Cuyahoga County Office of Reentry and our Social Service community supports successful reentry. We are working to address policy barriers that perpetuate a downward spiral-cycle that leads to re-involvement with the criminal justice system. We have coordinated events as part of Cuyahoga County Reentry Awareness Week to raise awareness, increase public safety, while providing substantive resources and program linkage to individuals within this targeted population.
