# *Clothesline Project*

## **Child survivors of human trafficking need your help!**

The Begun Center is partnering with RAHAB Ministries in Akron to provide clothes girls and young women aged 12-20 years old who have experienced human trafficking. RAHAB Ministries provides assistance and mentoring to child survivors of human trafficking. They are in need of gently-used clothing for these young survivors.

### **What can I donate?**

Any gently-used clothing is appreciated, with particular interest in jeans, sweaters, coats, hoodies, long-sleeved shirts, and boots. All sizes are welcome!

### **Can I give money?**

Sure! We'll use it to purchase hygiene items, clothing and gift cards for gas to transport the girls to counseling and medical appointments.

### **Where do I donate?**

Look for donation boxes in the following locations:

Fribley Commons (South Res)	Wade Commons (North Res)
Mandel School (Bellflower Rd.)	Mandel Center (Bellflower Rd.)
FSM Women's Center (TVUC)	Social Justice Institute (Crawford)
Center for Civic Engagement & Learning (TVUC)
